INDUSTRY EXPECTATIONS FROM MANAGEMENT GRADUATES

Topic: Industry expectations from management graduates
Conducted by: Prof. Sanjeev Sareen (IBS Gurgaon)
Conducted on: 21st October 2019
Classes attended: BCOM III A and BCOM III B

Prof. Sanjeev Sareen (BE, MBA), Associate Dean & Deputy Academic Coordinator along with other members IBS Gurgaon, conducted a session on industry expectations from management graduates for the students of BCOM III A and BCOM III B. He gave a brief account on CV, Job interview, how to get a job, attitudes, self confidence and what companies look in a fresher. It was an interactive session in which he focused on thinking and planning of your career. He highlighted three things: challenge yourself, sharpen your skills and know your limits better. He also discussed about the big five personality dimensions, which are seen during an interview. He laid stress on the fact that confidence is gained from knowledge. In this session, he also discussed the significance of that one question which is commonly asked during an interview, "Tell something about yourself." Later on, various queries of the students were well responded by him. A feedback form was also filled in by students. In total 140 students attended the session. Overall, the session was very fruitful for the students and will surely have solved all their queries regarding the course.

'REPORT:: 'A SESSION ON QUANTITATIVE VS MATHS'

Conducted by: Mr. Giri Ratan Gaur, from Times
Conducted on: 6th Feb 2020
Classes attended: BBA IV Sem A and B.Com II Sem B

Mr. Giri Ratan Gaur, Times Institute, Ludhiana conducted a session on quantitative vs maths for the students of BBA IV A and BCOM II B. He gave a brief account on quantitative, maths, aptitude, importance and usage of aptitude and how to crack competitive exams like CAT, GMAT, SSC, CSAT etc. He made the session more interesting by explaining students how to solve CAT questions and giving them CAT questions to solve on their own. He emphasised in the fact that CAT has nothing to do with intelligence. Even an average student can top CAT as it is based upon aptitude. To give more clarity to the students on these exams, he gave a demo class on CAT questions to the students. He solved same question with different methods in order to tell students that there are many methods to solve a question. Also, he gave them different types of questions to solve and told that how it is different from maths. He laid stress on the fact that confidence is gained from knowledge and practice. The more you practice, the more confident you will be while solving questions. Later on, various queries of the students were well responded by him. A feedback form was also filled in by students. In total 110 students attended the session. Overall, this session was very fruitful for the students and will surely have solved all their queries.

REPORT

SUCCESS STRATEGY FOR CRACKING IPS

The Alumni Association of Sri Aurobindo College of Commerce and Management, Ludhiana organised a webinar on cracking IPS: Success Strategy for the students of BCOM second and final year on 14/05/2021. The resource person for the session was Mr. Raghav Jain, a distinguished alumnus of the SACCM, an IPS Officer of the 2020 batch, Gujarat Cadre. Mr. Sumit Sharma an alumnus of the SACCM coordinated the entire webinar. Mr. Raghav Jain emphasized various success strategies that he imbibed himself to crack his Civil Services Exam and how he made his dream come true by following various steps that guided him all the way along his journey to be an IPS Officer. He urged the students to be able enough to make up their minds for challenging roles in the future. He motivated and inspired the students to sacrifice their comforts and luxuries in order to achieve great success. Passion towards goal, risk taking ability, patience throughout the journey and always having a positive mind-set were the four mantras to achieve greater heights. The session was followed by questions and answers round. The session was attended by more than 100 students. In the end, worthy Principal Dr. Ajay Sharma, Prof. Sanjay Gupta (Dean Student Welfare), and the other members of the Alumni Committee expressed their gratitude towards the guest.
